Canberra Organic Growers Society

2026 Nomination Form for Life Membership

The COGS Constitution provides for life membership to be awarded to a member whose outstanding service and contribution has provided considerable benefit to COGS over an extended period. The awarding of a life membership is a celebration of the importance of volunteers to the Society.

Nominations on the form below can be made by financial members of COGS who should approach a committee member (garden convenors can provide contact details) with written information addressing the criteria below in support of the proposed life member. Only current financial members of COGS are eligible for life membership. The sponsoring committee member will ask the full committee to consider the nomination.

NAME OF PERSON BEING NOMINATED FOR LIFE MEMBERSHIP……..

Comments against criteria for life membership
