### Annual General Meeting

27 March 2022

### President's report

The 2021 year was a successful year for COGS.

The Executive saw keeping the gardens open during the COVID lockdowns as an important outlet for our gardeners during those difficult times. It was pleasing the way gardeners responded to the various requirements and restrictions that had to be put in place to keep them opened. The COVID restrictions also meant that a number of planned activities had to be cancelled and garden AGMs postponed by a month and in some cases held via Zoom.

The past year was one of the wettest on record in Canberra. While the wet and cool conditions benefited many crops, they also presented gardeners with massive weed growth that was especially challenging when combined with the restrictions caused by the COVID lockdowns. A number of gardens experienced problems of flooding and water logging and the Charnwood Garden was decimated by a hail storm. There have also been reports of greater numbers of rodents attacking crops

The year began with a successful planning day involving the Executive and Garden Convenors looking at what COGS is, what it does and where it wants to go in the future. As result of the planning day the Executive Committee has commenced a number of initiatives:

1. Unmet demand for garden plots. The Executive is actively pursuing additional land. Meetings have been held with Ministers and other members of the Legislative Assembly. It is pleasing that community gardens in general and COGS in particular are held in high regard. I am hopeful that some additional land and maybe even a new garden may eventuate. The Executive has also held discussions with developers and other private groups. There are promising indications that when a developer-built community garden in Denman Prospect is completed it will be made available to COGS to operate;
2. Garden Infrastructure. The infrastructure in all the gardens has been reviewed. The review identified gaps and set priorities for funding to bring facilities in all gardens to a similar standard. A number of projects have already been built or approved for funding including sheds and shelters at Charnwood, Erindale, O'Connor and Cook, tree trimming at a couple of gardens and new fencing at Oaks Estate. Further projects for funding are being planned by gardens and will be considered for funding in the coming year;
3. COGS Constitution. Updating the Constitution was identified during the planning day as a priority. A revised draft constitution has been prepared and circulated to members for comment and is expected to be considered for adoption during 2022;
4. Record keeping: COGS record keeping was identified as risk that needed to be addressed. A project to digitalise COGS records and enhancing its record keeping has been initiated and is already starting to pay dividends; and

5. Need for additional social media presence. An Instagram account has been established and it has attracted considerable interest including from overseas.

During the year, as opportunities arose, COGS continued to engage with the Government and MLA's and was referred to in a speech on community gardens by Andrew Braddock MLA. A submission to the Government's Food and Fibre Strategy has been prepared. COGS maintained relationships with like-minded organisations (such as Canberra City Farm and SEE Change), the University of Canberra and ANU as well as holding discussions with a number of private organisations including churches and land developers.

The Holder Garden was successful with a grant application for the upgrading of its water reticulation.

A key aim of COGS is to promote organic growing and it has continued this through its presence on social media and the quarterly magazine. Its Website, Facebook page and Instagram account are popular. The growing guide on the website is particularly popular often with more than 2000 hits per week. COGS representatives and gardens regularly featured on the ABC radio gardening program, podcasts and in the Canberra Times. The quarterly magazine is provided to all members of the Legislative Assembly.

COGS has met all its regulatory and legal requirements and is in a strong financial position with a substantial surplus. The surplus and the resulting strong financial position are in part the result of the wet weather reducing water consumption. This places COGS in a good position to fund works in gardens and to be able to contribute to the financing of any future expansion. It also provides the financial buffer for the inevitable future drought years when the water bills will be much higher.

COGS is a substantial organisation with 500 members, 12 gardens that cover an area of nearly 3 hectares, a substantial presence on social media and a quarterly magazine. It takes a lot of work to keep COGS functioning: cutting grass, fixing lawn mowers, managing communal compost, organizing working bees, writing (submissions, minutes, applications and articles), editing the magazine, developing and maintaining social media sites, plot management, paying bills, issuing invoices, attending meetings and more.

None of this just happens. Somebody has to do it.

COGS has no paid staff but is fortunate to have many volunteers that put in thousands of hours each year to keep it running. The COGS Executive has reinstated the awarding of life membership as a way of recognising this work. Congratulations to Conrad Van Hest, Narelle MacLean and Richard Horobin on being awarded life membership in recognition of their outstanding contribution to COGS over many years.

Finally, a huge thank you to the members of the Executive Committee and Convenors who put in many, many hours of their time. They are a wonderful group of people that are focused on progressing COGS and community gardening generally. Much of the work they do is unseen but nonetheless essential. Without them and the work they do COGS cannot function. It has been a pleasure and privilege to work with them over the past 12 months. Thank you.

#### Treasurer's Report

##### Audited financial statements for 2021

The calendar year 2021 was another strong year financially, with a net surplus of \$20,121 (down from last year's surplus of \$33,398). The surpluses over the last two years follow on from combined deficits for the preceding four years of \$62,029.

The surpluses in 2020 and 2021 saw COGS' cash at bank at the end of December last year rise to just over \$161,000. Table 1 below provides a summary of our results for the last five years.

**TABLE 1 – FINANCIAL SUMMARY FOR LAST 5 YEARS**

	2017	2018	2019	2020	2021
Member fees	\$11,021	\$12,556	\$13,162	\$17,665	\$17,156
Plot fees	\$31,382	\$33,128	\$48,131	\$59,795	\$58,838
Other revenue	\$14,911	\$18,495	\$9,469	\$7,605	\$7,642
Total Revenue	\$57,314	\$64,179	\$70,762	\$85,055	\$83,636
Capex	\$12,900	\$22,655	\$22,435	\$1,021	\$19,669
Garden exp	\$14,399	\$8,097	\$10,383	\$8,881	\$12,809
Water Bills	\$20,401	\$27,264	\$25,443	\$23,208	\$16,157
Other expenses	\$23,094	\$21,003	\$18,265	\$18,548	\$14,881
Total Expenses	\$70,794	\$79,019	\$76,526	\$51,658	\$63,516
Surplus(Loss)	(\$13,480)	(\$14,840)	(\$5,764)	\$33,398	\$20,121
Cash at bank	\$113,838	\$104,296	\$101,302	\$138,185	\$161,006*
Net Assets	\$138,882	\$123,982	\$118,218	\$151,616	\$171,737

\*Balance as at end February was \$130,696.

Key things to note from the above:

- Cash at bank has risen over the last two years, driven by the surpluses. The stronger financial position has been driven in part by a significant increase in our membership during the pandemic (up 21% from end 2019), and also fee increases in 2019 and 2020. Plot fees per square metre did not increase in 2021;
- Capital expenditure was up to historical levels (compared to 2020 which was significantly reduced in the first year of the pandemic). Key investments were the new shelters at Charnwood and Erindale, and improvements to the pergola at Cook;
- The water bill in 2021, which also drove this year's surplus, reflected the above average (more than 150%) rainfall. This contrasts to the very hot and dry conditions in 2018-19 – we should plan for hot/dry weather in the future;

### Infrastructure Review

I led a review of COGS' infrastructure during 2021. The Committee considered that the certainty of our 10 year lease with the ACT Government and our relatively healthy cash balance presented an opportunity to invest in improvements to our assets. The highest priority investment identified by the review was to replace the fence at Oaks Estate. Three sides of the fence have now been replaced and a decision on replacement of the final side will be taken later this year. Other key investments already completed, or committed to, are the new shed and shelter at Erindale, replacement of taps and risers at Holder (which was partly funded by a \$1,000 grant from the ACT Government), and a new shed at O'Connor. More investments are likely to be considered at the May meeting of the Committee. Major investments are now considered on a quarterly basis. These investments should result in a lower surplus (or a possible deficit) for 2022 and a decline in our cash balance.

### Income tax

During 2021, COGS received a number of letters from the Australian Taxation Office noting that we had not submitted income tax returns for a number of financial years and threatening to charge us tax and late lodgement penalties. COGS' has consistently regarded itself as an income tax exempt not for profit association under Division 50 of the *Income Tax Assessment Act, 1997*, following the self-assessment guidelines on the ATO website. Following discussions with the ATO this matter has largely been resolved with ATO accepting our opinion with respect to the years 2014-2020. A further letter to resolve our tax status for earlier years has been sent and I expect a similar result. The tax exempt status needs to be reviewed annually as circumstances can change.

**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2021**

**Note 1 Statement of Significant Accounting Policies**

The financial report is a special purpose financial report that has been prepared in accordance with appropriate Australian Accounting Standard and requirements of the Associations Incorporation Act (1991).

Canberra Organic Growers Society Incorporated is an association incorporated in the Australian Capital Territory under the Associations Incorporation Act (1991).

The following is a summary of the material accounting policies adopted by the Society in the preparation of the financial report. The accounting policies have been consistently applied to all years presented, unless otherwise stated.

**Reporting Basis and Conventions**

The financial report has been prepared on an accruals basis and is based on historical costs modified by the revaluation of selected non-current assets, and financial assets and financial liabilities for which the fair value basis of accounting has been applied.

**Accounting Policies**

**(a) Depreciation**

Depreciation is provided on non-current assets by charges against income at rates based on the estimated useful life of the respective assets using the straight line method. The rates applied are as follows:

Class of Fixed Asset	Depreciation Rate	2021 \$
Depreciaton of P&E - Current year		<u>2,720</u>
Non garden equipment	25%	5,231
Fences	15%	8,962
Plumbing	20%	7,356
Mowers/trailer	30%	2,215
Sheds	25%	1,172
Other garden fixtures	25%	<u>15,263</u>
Accumulated depreciaton at 31 December 2021		<u>40,199</u>

All new garden capital purchases are written off as expenses in the year they were incurred. As it is considered that there is little realised value to the organisation once incurred.

The assets' residual values and useful lives are reviewed and adjusted, if appropriate, at each balance sheet date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

**(b) Plant and Equipment**

	Book Value 2020 \$	Book Value 2021 \$

**CANBERRA ORGANIC GROWERS SOCIETY INCORPORATED**

**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2021**

**(c) Income Tax**

The Association is a tax exempt body under Division 50 of the Income Tax Assessment Act, 1997.

**(d) Comparative Figures**

Comparative Figures have been changed where necessary to facilitate comparison with the current year's figures.

**(e) Revenue**

Revenue from the provision of a service is recognised upon delivery of the services .

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to financial assets.

All revenue is stated net of the amount of goods and services tax (GST).

**(f) Impairment of Assets**

At each reporting date, the entity assesses whether there is objective evidence that a financial instrument has been impaired. In the case of available-for -sale financial instruments, a prolonged decline in the value of the instrument is considered to determine whether an impairment has arisen. Impairment losses are recognised in the Income Statement.

**(g) Cash and Cash Equivalents**

Cash and Cash Equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within cash at bank in current assets on the balance sheet. Cash and cash equivalents are recognised at nominal value.

**(h) Cash on Deposit**

Cash on Deposit is comprised of deposits with financial institutions that can be drawn on at short notice. Cash on deposit is recognised at nominal value.

**(i) Interest bearing liabilities**

Interest bearing liabilities are recognised at fair value and are systematically repaid over the term of the liability.

**CANBERRA ORGANIC GROWERS SOCIETY INCORPORATED**

**STATEMENT BY MEMBERS OF THE COMMITTEE**

In the opinion of the Committee the attached financial report :

- 1 Presents fairly the financial position of the Canberra Organic Growers Society Incorporated as at 31 December 2021 and its performance for the year ended on that date in accordance with Australian Accounting Standards.
- 2 At the date of this statement, there are reasonable grounds to believe that the Canberra Organic Growers Society Incorporated will be able to pay its debts as and when they fall due.

**INDEPENDENT AUDIT REPORT TO THE MEMBERS OF**  
**THE CANBERRA ORGANIC GROWERS SOCIETY INCORPORATED**  
**FOR THE YEAR ENDED 31 DECEMBER 2021**

**Audit Opinion.**

In my opinion,

- (a) The financial statements of the Association are properly drawn up:
- (i) So as to give a true and fair view of matters required by subsection 72(2) of the Associations Incorporation Act 1991 to be dealt with in the financial statements
  - (ii) in accordance with the provisions of the Associations Incorporation Act 1991; and
  - (iii) in accordance with proper accounting standards, being Applicable Accounting Standards;
- (b) I have obtained all the information and explanations required;
- (c) Proper accounting records have been kept by the Association as required by the Act; and
- (d) The audit was conducted in accordance with the rules of the Canberra Organic Growers Society Incorporated.

**Scope.**

I have audited the attached financial statements of the Canberra Organic Growers Society Incorporated for the year ended 31 December 2021. The Committee is responsible for the preparation and presentation of the financial statements and the information they contain. I have conducted an independent audit of these financial statements in order to express an opinion on them to the members of the Association.

My audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial statements are free of material misstatement. The procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial statements, and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial statements are presented fairly in accordance with Australian Accounting Standards and Statutory requirements so as to present a view which is consistent with our understanding of the Association's position and the results of its operations.

The audit opinion in this report has been formed on the above basis.
